

Internship in Ship Spares Logistics

The GAC Group (www.gac.com) is a multinational company providing shipping agency, logistics and marine services operating 300 offices around the world.

GAC Marine Logistics is our ship spares supply chain management arm offering services to the Shipping market.

YOUR TRAINING

You will be trained to monitor and control the stock in our major warehouses located in Amsterdam, Piraeus, Osaka, Incheon, Singapore and Shanghai including the transportation from Suppliers' factories.

Your daily tasks will include:

- Coordination with Suppliers
- Coordination with local Warehouse Operators
- Issuance of Stock Reports circulated to our Clients

QUALIFICATIONS

- Undergraduate T.E.I. students in a Business related field who fulfil the requirements of their institute for internship
- Fluent English in spoken and written (Certificate of Proficiency will be preferred).
- Computer Literate (MS Outlook, Word, Excel, Powerpoint)

Our office is located in Piraeus and the training program will last 6 months.

Selected participants may be considered for long term employment provided that open positions are available upon completion of the internship.

Interested candidates can submit their CV to Mr. Harris Theodorakis at harris.theodorakis@gac.com

Delivering your strategy.
